“三维提升法”精进英语写作

中国人民大学附属中学分校 马红芳 张芊

书面表达是初中学考英语学科的重要组成部分。在一轮复习中,考生已经系统梳理了基础语法和词汇,在英语写作中完成了从“不会写”到“能写”的跨越。面对即将到来的一模考试,考生还要从内容、语言、结构三个维度进行提升,实现从“能写”向“会写、写好”进阶,从“有话说”向“说得精彩”跨越。

近年来,北京卷的写作题目更加注重考查考生在真实情境中表达观点、传递情感的能力。那么,考生如何才能写出一篇内容充实、语言流畅、结构清晰的高分作文?下面,笔者就以相关试题为例,为考生提供一些写作技巧提升能力。

试题解读:明确考查重点

【例题】(Dream Library)

假设你是李华,你校正在开展“书香校园”活动,英语社团公众号打算做一期以“Dream Library”为主题的推送,为此在校内征集想法。请用英语给公众号留言,提出你的设想,并简要说明它会带来哪些好处。

提示词语:recommend, new, experience, explore, interest

内容提示:What is your dream library like? How can students benefit from your idea?

【点拨】考生要大胆合理想象,具体描述,明确说明好处。

提升维度总结:从“能写”到“写好”

1. 内容维度:从“设想罗列”走向“功能表达”

学生初稿在内容呈现上具有较强的空间构构意识,但整体表达目的性不够突出。提升版文章使内容由静态描述转向动态价值表达,使文本更具任务导向特征。这一点恰恰体现出学考写作近年来的重要趋势:写作评价不再仅关注信息完整性,而更加重视表达的教育意义与学习价值。

2. 与时代背景的融合:科技元素的教育表达

提升版文章引入科技元素,使传统阅读空间呈现出“智慧化学习环境”的特征,既契合新时代学校发展的现实语境,也提升了作文的现实感与前瞻性。

需要强调的是,科技在文章中成为促进阅读行为、优化学习体验的工具,这一处理方式有助于引导考生形成“技术赋能学习”的表达意识,使写作更具时代感与现实意义。

3. 主题深化:从图书馆功能走向个体发展价值

“书香校园”的核心不在于图书馆空间本身,而在于阅读对学生成长的深远影响。提升版文章将图书馆功能上升为学生个体发展的重要支点,使文章呈现出更明显的教育导向。这一转变体现了写作层级的本质提升,即从环境描写到学习体验再到成长意义,这也契合当前初中学考写作评分中对“思想深度”的隐性期待。

总结方法论:用好“三维提升法”

1. 内容训练:确保要点齐全,学会“多写一句”

对应题目中的每个要点,考生可尝试补充一句分析或细节的相关内容。比如写完数据,加一句“This shows...”;写完设想,加一句功能说明;写完建议,加一句理由。考生可准备一个“事例本”,每个话题积累2至3个具体例子,以便在写作时能快速调用。

2. 语言训练:积累“万能句式”,替换“简单表达”

考生每周可背诵3至5个实用句式,并分类积累。描述图表:According to the results, ... / As can be seen from the chart, ... / The chart shows that ...

对比:...while... / ...whereas...

举例:such as... / for example, ... / like...

递进:not only...but also... / moreover, ... / in addition, ... / as a result, ...

原因结果:...so that... / ...which makes...

总结号召:In short, ... / Let's... / I hope...

在写作时,考生要有意识地将简单表达升级,如good→helpful / meaningful / beneficial; I think→I suggest / I believe / From my point of view; We can...→We are supposed to... / It is a good idea to...

3. 结构训练:掌握两套“高分框架”

图表说明类:引出话题→描述图表→总结信息→提出建议(可按类分层)→总结号召。

设想描述类:引出设想→具体描述(科技/环境/功能)→说明好处→总结展望。

考生在动笔前可先列出提纲,确保结构完整、层次清晰。

典型例文分析:从“能写”到“会写”

学生初稿

I'm Li Hua from Class 1, Grade 9.

My dream library is a place where I would like to spend my whole day. Firstly, there should be a wide range of books, which come from different categories. The sections should be marked clearly. Secondly, I hope there will be lots of chairs, couches, and tables. The amount should be slightly more than the number of students, and the style of the seats and tables should be multifaceted. A few large windows would be nice too. Lastly, I think there should be a cafe in the library to provide students with desserts and drinks.

Students can benefit from these aspects. First, they can read all kinds of

books they want, with no difficulties with finding the books. Second, they can choose the places to study or read books freely. As the variety of seats will be rich enough to let everyone sit in places they prefer. Last but not least, the cafe can ensure that students won't be too hungry when reading, which makes it convenient to stay in the library for a longer time. Sunlight from the windows will be relaxing, additionally.

I hope my dream will come true, thanks!

【分析】

内容:初稿描述了考生理想中图书馆的设施,包括书籍分类、座位数量与风格、窗户、咖啡馆等,也对应说明

了这些设施带来的好处。作文内容要点齐全,信息较为丰富,但整体停留在描述物理空间层面,创新性不强,对图书馆的教育价值挖掘不够,总结与提升内容不足。

语言:考生词汇水平较高,能使用 a wide range of, benefit from, last but not least 等地道表达,句式也较丰富,能运用定语从句、并列结构等,但连接词略显生硬,缺乏生动的细节描写。

结构:考生采用“设想→收益”的结构,作文逻辑层次基本清晰,段落布局较为合理,但两部分之间过渡不够自然,逻辑推进较弱,更多的是信息罗列而非层层深入。

初稿预估得分:7—8分(第二档中偏高)

满分提升版

I'm Li Hua from Class 1, Grade 9.

I would like to recommend a dream library for our school — a smart and warm learning space suitable for all students. First of all, digital screens could help students search for books quickly, while intelligent systems could make borrowing easier and more efficient. To create a comfortable environment, the library should provide enough seats in different styles, such as sofas, quiet study tables, and open discussion areas. In addition, large floor-to-ceiling windows would allow natural light to fill the space, making the reading environment brighter and more inviting.

As a result, students would benefit greatly. They could spend less time looking for materials and more time focusing on reading itself. Moreover, when warm sunlight gently falls on

the pages and on students, it not only makes reading clearer but also creates a calm and pleasant atmosphere. Feeling relaxed and focused, students would be more willing to stay longer in the library. Gradually, they could develop better reading habits, discover new interests, and gain richer learning experiences.

I hope my dream will come true, thanks!

【提升】

内容创新与深入:提升版在初稿基础上做了重要升级。首先,文章引入科技元素——digital screens 和 intelligent systems,使图书馆设想契合当前智慧校园的发展方向。其次,文章内容呈现从“有什么”转向“为什么有”和“对学习意味着什么”,将每一项设想都转化为具体的学习功能。最后,文章落脚点从即时便利提升到长远发展——reading habits, new interests,

richer learning experiences,体现出考生对个体成长价值的关注。

语言升级:文章的词汇选择更自然、更精准,smart, efficient, comfortable, inviting 等“小词”恰到好处地向读者传达了自身感受。句式更加成熟多样,while 结构表达对比,such as 举例,as a result 和 moreover 衔接逻辑,非谓语结构“Feeling relaxed and focused”让表达更简洁有力。值得一提的是,“when warm sunlight gently falls on the pages and on students”不仅使用状语从句,还用 gently 一词传递出细腻的感受。

结构升级:文章从初稿的“并列信息”转为“因果链表达”。提升版采用“科技→环境→收益”的递进结构,每部分内容之中也有清晰的逻辑推进。衔接词(as a result, moreover, gradually)使用自然,使文章更加连贯。

提升版预估得分:10分(第一档满分)
